

Information for Candidates – Post Results Information

If you are unhappy with your results, and would like to have a review of marking or a clerical re-check of your exam paper, please discuss this with your subject teacher and obtain a request form from reception or email exams@stover.co.uk. Please see below for more information and costs of the Post Results services.

There are various options available:

1. A Clerical re-check makes sure that the marker has not left a bit out or added up marks incorrectly.
2. A Review of Marking allows a senior examiner to check that marking procedures have been followed correctly and reasonably.
3. A Review of Marking Priority Service is available for A Level papers upon which access to a university place rests.
4. Access to Script means that you can ask for a copy of your marked script, either to see whether a Review of Marking is worthwhile, or simply for general interest. Most exam boards allow you to have a free copy of the paper if you have asked for a Clerical Re-check or a Review of Marking.

Clerical re-check

This is a re-check of all clerical procedures which lead to the issue of a result. It includes the following checks:

- all parts of the script have been marked
- the totalling of marks
- the recording of marks

(Please note that your grade can go down as well as up, or stay the same).

The boards aim to complete the enquiry within 10 calendar days of acknowledging the request.

Review of marking (externally assessed components only)

(Please note that your grade can go down as well as up, or stay the same).

The boards aim to complete the enquiry within 20 calendar days of acknowledging the request.

Review of marking: Priority Service 2 (GCE A-level only)

This service is available for pupils whose place at university or any other higher education institute depends upon it. The same checks are carried out as above but the exam boards aim to complete the enquiry within 15 calendar days of acknowledging the request.

The Access to Scripts service is free for all Exam Boards.
